WHAT

Taught by CPT Teaching Artist and CAN Academy Site Coordinator Zyrece Montgomery, and CPT Supporting Teaching Artist, Patrick Warner, *Galaxy Voyage* is an in-person, after-school theatre program where youth will build original stories centered around traveling to outer space and exploring new worlds and possibilities. This session is a devising workshop that provides a platform for youth to build confidence in imaginative exploration and collaborative storytelling skills. This winter session culminates in an in-person showcase of the young artists' original work. CAN Academy performing arts activities improve academic skills, instill empathy and responsibility, build character, and enhance creative thinking.

This program is offered at NO COST thanks to the Cleveland Foundation. All classes are in person on-site at Cleveland Public Theatre. Young artists must be masked and follow our health and safety protocols.
