#### WHAT

Taught by CPT Teaching Artist and CAN Academy Site Coordinator Zyrece Montgomery, and CPT Supporting Teaching Artist, Patrick Warner, *Galaxy Voyage* is an in-person, after-school theatre program where youth will build original stories centered around traveling to outer space and exploring new worlds and possibilities. This session is a devising workshop that provides a platform for youth to build confidence in imaginative exploration and collaborative storytelling skills. This winter session culminates in an in-person showcase of the young artists' original work. CAN Academy performing arts activities improve academic skills, instill empathy and responsibility, build character, and enhance creative thinking.

**This program is offered at NO COST thanks to the Cleveland Foundation.** All classes are in person on-site at Cleveland Public Theatre. Young artists must be masked and follow our health and safety protocols.
