Join us for **Enchanted Forest**, a 3- (Juniors) or 4-week (Seniors) intensive summer arts program for young artists that is both fun and challenging. Youth will examine familiar storybook tales and turn them on their heads by adding their own creative twist. Youth will explore storytelling through improvisation, character development, dance, visual arts, and more! Under the dedicated guidance of CPT Teaching Artists, children learn how to create and perform their own theatrical works. The program is led by CAN Academy Teaching Artist and Site Coordinator Zyrece Montgomery and Teaching Artist Martinique Mims. Enrollment is determined by application. **The application deadline is June 2nd.** Applications will be reviewed on an ongoing basis, and families will be notified by June 3rd at the latest. Enrollment is capped at 16 young artists per session. This program is offered at NO COST thanks to the support of the Cleveland Foundation and other generous supporters.

MATERIALS PROVIDED: journal, t-shirt, arts and crafts materials
